**PETITION FOR CERTIFICATE OF CORRECTION
PURSUANT TO 37 CFR § 1.323**

Attn: Certificate of Correction Branch
Commissioner for Patents
Alexandria, VA 22313-1450

Sir:

Pursuant to 37 CFR § 1.323 Applicant respectfully requests the Commissioner for a Certificate of Correction for the above-identified U.S. Patent incorporating the following change:

In the Claims:

In Claim 1, column 7, line 2, please delete “0.5” and insert “1.5”.

REMARKS

The above correction fixes a typographical mistake made by Applicant in the listing of the claims submitted on July 29, 2008. Claim 1 had previously been amended on March 10, 2008 to state “1.5.” instead of “0.5”, which was the basis for allowance of the application by the Examiner.

CONCLUSION

Pursuant to 37 CFR § 1.323, Applicant respectfully petitions the Commissioner to issue a Certificate of Correction for U.S. Patent No. 7,485,123 which incorporates the above-identified correction to the specification. PTO Form 44 showing the change is enclosed herewith.

The correction noted in the specification is a clerical error in nature and adds no new matter to the patent, nor would it require a reexamination. Furthermore, Applicant’s error occurred in good faith.

The petition fee in the amount of \$100.00 pursuant to 37 CFR § 1.20(a) to cover Petition for Certificate of Correction fee is paid via EFS Web. Although no additional fee is believed due at this time, the undersigned hereby authorized the Commissioner to charge any additional fees due for the filing of these papers to Vista IP Law Group’s deposit account 50-

1105. Please credit any overpayments to the same.

Respectfully submitted,

Vista IP Law Group, LLP
